## Old Homestead Play Cancelled For This Year

Owing to the ban on pleasure driving and beset with other problems, the "Old Homestead" announced to be given in "Potash Bowl" at Swansey will be postponed indefinitely, probably for "the duration". The production was given up with considerable regret and its omission will mean a serious financial loss to community churches and organizations. Mayor Holbrook of Keene has suggested that the play be presented in Keene for local patronage but the task seems difficult to accomplish. Many friends will miss the performances this year for the event has come to be a fixture in summer events in the open air. Thousands of visitors each year have gone to Swansey to witness the spectacle and among them have been many from Northfield.

## Has Passed In Death Dr. Allen H. Wright Well-Known Physician

Dr. Allen Henry Wright, age 65, well-known physician of this town, died at the Farren Memorial hospital, on Thursday afternoon, June 17th after a long illness. He was born March 2, 1878, at Crown Point, N. Y., the son of the late Rev. and Mrs. Joel F. Wright.

He was educated in the schools of Plattsburgh and graduated from the High school and state normal school. He spent two years at the University of Ver-

mont and was graduated as an M. D. from the University of Maryland at Baltimore in 1906. He began his medical career as resident staff physician at Willard state Hospital at Willard, N. Y., where he served for two years, leaving to enter private practice at Stamford, Vermont. Next he moved to Wilmington, Vt., where he was surgeon for the Parker Young Co. and in charge of their hospital and also had a large general practice there about the country side. In 1927 after a post graduate course at Harvard

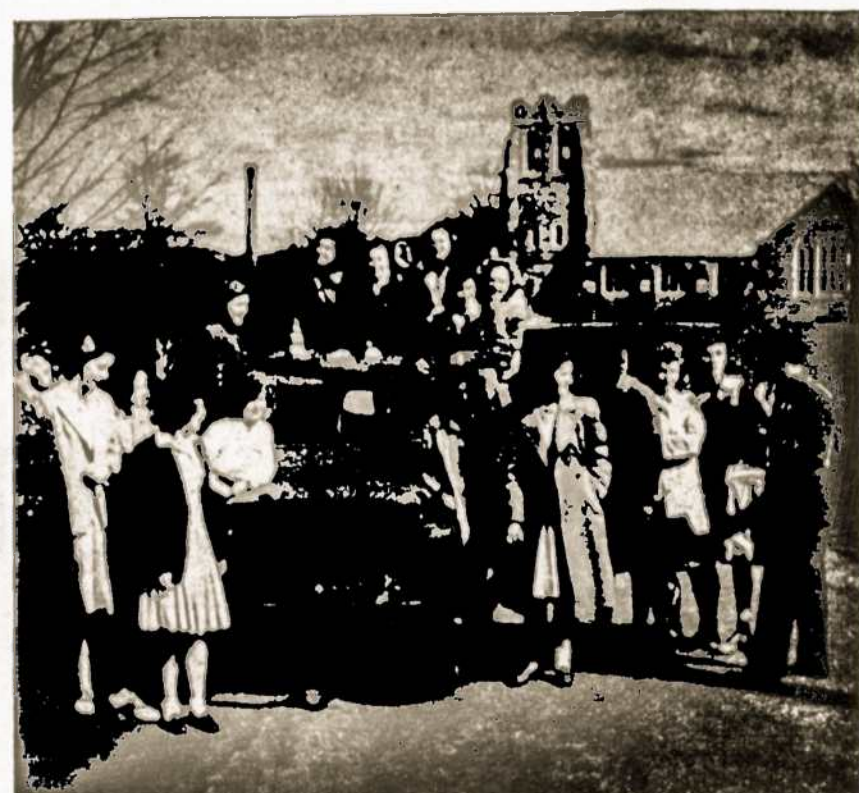

Dr. Wright and family moved to Northfield for general practice. Dr. Wright was a past President of the staff of Farren Memorial Hospital and was head of the Obstetrical department at the time of his death. He was for two years President of the Franklin County Medical Association and was former district councillor of the state medical society. He was a member of the associate staff of both Franklin County Hospital and Brattleboro Memorial Hospital. Prominent in fraternal and civic matters he was a 32nd degree Mason and a member of Harmony Lodge of this town, but had served as a Master and as a district deputy of the Grand Lodge in Vermont. He was a past Patron of the Eastern Star.

He was both town and school physician, serving for many years both Northfield and Gill, and was Park Commissioner in charge of the playgrounds. He had also served as a Library Trustee, for seven years president of the local Athletic association. He was also identified with the work of the Boy Scouts and was a member of

## A Jeep Visits The Schools

Students of the seminary received with much interest a visit of a Jeep on the campus recently as the picture above will show. They all wanted a ride and the soldiers were heroes for the day.

The Treasury Department has presented The Northfield Schools with a handsome engraved certificate covering the procurement of two Jeeps by the students with their War Savings stamp purchases. This proved to be a 200% campaign since the two schools originally

agreed to purchase a Jeep during the closing weeks of school, but actually bought enough stamps to double the goal.

In the state of Massachusetts 583 schools entered the campaign, agreeing to purchase \$700,000 worth of Jeeps, but at the conclusion reported total sales of \$1,400,000 representing 1,555 Jeeps.

The Schools campaigns were under the direction of Miss Elsie Scott at the Seminary and Orvil E. Mirtz at Mount Hermon.

## Project Was Success To Encourage Reading

Early in the year a unique project was inaugurated at the Congregational church, when a committee was named of Irving J. Lawrence, Mrs. Louise Barnes LaBella, Cortland Finch and Rev. Mr. Dahl to establish and maintain a periodical table. On Sunday mornings members of the committee were assisted by Miss White and Miss Braley. Magazines of religious, missionary and cultural contents were used for circulation and purchased from an appropriation, contributed or loaned. There were 35 different periodicals. Each was loaned out on a plan much like the record library uses and over 500 persons have availed themselves of circulation method. After a journal has become three months old they are contributed to other agencies or organizations or given away freely to those who would appreciate them. The plan has worked successfully with complete satisfaction so that a renewal of the effort is expected another year. It has encouraged the reading of religious literature.

the local Civilian Defense committee in charge of the medical division.

He had been one of the directors of the Northfield National Bank, which was merged with the Greenfield bank and the Northfield Printing company whose plant was sold and moved to New Hampshire.

He was a member of the Congregational church, the Church Brotherhood and of the church choir.

Surviving are his widow, Mrs. Charlotte (Park) Wright; two daughters, Mrs. Lawrence White of Boston, whose husband is a first lieutenant in the army, and Mrs. Ernest E. Leavitt of Washington, D. C., whose husband is an army major; two grandsons; two brothers, Loyal S. Wright of Chazy, N. Y., and Rev. Dr. Frank Wright, dean of theology at Houghton (N. Y.) college, also two sisters, Mrs. Gr. Frank Brown of Stamford, Vt., and Mrs. Paul Jackson of Bridgeport, Conn.

The funeral services were held at the Northfield Congregational church last Saturday afternoon at two o'clock, with Rev. Edward C. Dahl, the minister and Rev. John B. Whitman of St. James Episcopal church of Greenfield officiating.

The church was well filled with many friends, officials of the town, representatives of organizations and members of the medical profession. Members of Harmony Lodge of Masons attended in a body as did members of the Eastern star.

Burial was on Monday, at the convenience of the family, in the Park plot in the cemetery at Waterloo, N. Y.

## Was Lost In Battle Off Coast Of Malta

Mrs. James Sherwood, the former Mary Pascoe of this town with the Youth Hostel, who was married in California last December, has been notified that her husband, who was with the U. S. Navy Intelligence service, "has been lost in battle at sea off the coast of Malta in mid-April".

Mrs. Sherwood is engaged in forestry work and at present is with the Aiken nurseries of Putney, Vt. She graduated from the University of Conn. and received her degree from Cornell University. She has been spending her weekends here. Her many friends are extending their sincere sympathy.

## Rikert - Wilson Wedding

On Saturday afternoon, June 5, at the Congregational Church in Ipswich, Miss Jane Ryerson Wilson, daughter of Rev. and Mrs. Frederick C. Wilson, became the bride of Mr. Carroll Rikert, Jr., of New York, son of Mr. and Mrs. Carroll Rikert of Mount Hermon. The ceremony was performed by the bride's father. A reception followed at the Parish House, in charge of the ladies of the Church. Escorting the bride into the Church was her grandfather, Rear Admiral Luther E. Gregory, C.E.C., U.S.N., (ret.) of Seattle, Washington. Her sister, Miss Ruth Wilson, was maid of honor, and the bridesmaids were Miss Alice Skelton of Hyattsville, Maryland and Miss Camilla Rikert, a sister of the groom. The best man was Mr. Paul Grieder of Mount Hermon, an uncle of the groom, and the ushers were Mr. Paul Larcom of Boston, Ensign Winthrop W. Carr, 3rd, of Worcester.

The bride is a niece of Miss Mira B. Wilson of Northfield Seminary, and has just been graduated from Smith College. The groom was graduated from Mount Hermon School, Harvard College (1938), and Harvard Business School (1940). He is serving as an accountant with Haskins and Sells of Newark, N. J. Mr. and Mrs. Rikert, Jr. are now living in Newark, at 52 Lincoln Avenue.

## July Grange Meeting

The members of the Grange will hold their next meeting in Grange Hall, Tuesday evening, July 13 at 8 o'clock, when the state Grange Lecturer, Mrs. Lillian Atkinson will visit. She will observe the work of the local Grange and deliver an address, giving some practical suggestions of the conduct of Grange degrees. Refreshments will be served by a committee and it is expected that an effort will be made by members to attend this important session.

## Was Struck By Freight Walking Along Track And Dies Instantly

Another fatal accident happened in this town on Thursday night, June 17, at ten o'clock, on the Central Vermont Railroad tracks some distance south of the crossing, nearest the Dunnell coal yards. Mrs. Joanna Pigott Bowman of Mamaroneck, N. Y., 87 years of age, a native of this town, had arrived to visit her sister, Miss Margaret Piggott, who lives in a house further down the road, from where the accident took place on the west of the railroad tracks. She had come down on the bus from Hinsdale in the late afternoon and greeted several friends whom she met about the Postoffice and then was entertained at a home on Main Street until going to the Piggott home.

It was raining and dark and she chose the pathway along the railroad tracks. A freight coming north with its bright headlight probably confused her and she veered into the approaching engine, being struck in the face and body and died instantly. She was not seen by the engineer, who was on the other side of the engine, but was observed by the brakeman too late for a signal. The train stopped and from the Kehl home at the foot of Parker Ave., Dr. F. Wilton Dean was called. Dr. Dean pronounced the woman dead upon arrival and summoned Dr. William J. Pelletier, assistant medical director, who gave permission to remove the body, and undertaker George N. Kidder was notified. The train, halted an hour, then proceeded on its journey. Deputy Sheriff Martin E. Vorce, who had also been summoned made a very complete investigation.

Mrs. Bowman was born in Northfield but moved away many years ago. She was the widow of John Bowman of Mamaroneck. Besides her sister, she leaves a son, Oscar, and several grandchildren in Mamaroneck, and a nephew in New Haven, Conn.

A daughter was born to Mr. and Mrs. Herman A. White of Highland Ave. at the Franklin County Hospital on Thursday, June 10. Granddaughter of Mr. and Mrs. G. R. Herrel and of Mr. and Mrs. John White, all of Elizabeth City, N. C.

Preliminary announcement has been made that the third big war loan will begin on September 9.

## Special Exhibit Shown On Wednesday Afternoon At Historical Rooms

On Wednesday afternoon of next week the Historical Society will open its rooms to the public, with admission free for a special exhibit and showing of a hundred framed pictures and photographs of famed ships and steamships, which plied New England waters during the past 75 years. Fleets that plied the waters along the coast, the Narragansett Bay, about New Bedford, Long Island and the Hudson River will be included, as well as those of the older types of whalers and some models.

You will be shown the "Joseph Conrad" and the "Seven Seas" about which so much has been written. The exhibit is through the courtesy of Walter E. Hallam of Highland Ave., who before his removal to this town lived in Rhode Island in the atmosphere of the "salty brine".

Everyone is urged to go to the Historical Society rooms next Wednesday and view the display, which will be from two to six o'clock.

## Women's Hall Committee Will Manage Affairs

The town meeting for women of the community to run the affairs of Alexander Hall, held Saturday afternoon, June 12, was marked by a small attendance. It was the annual meeting and reports were given of the activities of the past year and the good condition of the treasury. Mrs. Joseph Morgan, Mrs. W. E. Wells and Mrs. Charles Taber were elected to fill the three vacancies. Mrs. Frank W. Pearsall was chosen as chairman of the committee and Mrs. E. J. Livingston as secretary-treasurer. There are nine members of the Alexander Hall Committee, three of whom in a group are elected each year as their term expires.

IS IT ESSENTIAL TO THE WAR?

LONG DISTANCE CIRCUITS these days are weapons of war! Keep them free for war business! The lines to these and other war centers outside New England are unusually congested. Please avoid any calls other than war messages — except in extreme urgency.

You can help, too, by canceling any long distance call when you are told that the circuits are busy. If you'll be considerate regarding non-essential calls, we'll be able to give all really essential calls, even to the busy places, prompt service.

### UTOPIA

On the thirty-second day of the  
thirteenth month of the eighth  
day of the week;  
On the twenty-fifth hour and the  
sixty-first minute, we'll find all  
the things that we seek.

### MAPLE LEAVES

Last year many of our residents  
noticed the falling of leaves from  
the beautiful maple trees through-  
out the season and all wondered.  
Again this year as the foliage has  
been completed, leaves are fall-  
ing. No explanation has been  
available until from State college,  
Mr. W. B. Becker of the entomol-  
ogy department says that the con-  
dition is caused by an insect,  
known as the petiole borer. The  
worm hollows out a portion of the  
leaf stem, causing it to fall off,  
while later the stub falls to the  
ground bearing the insect, which  
burrows into the ground to await  
another season. In the spring the  
larva emerges in the form of a  
minute sawfly. The insect has not  
been considered of much impor-  
tance thus far and the leaves  
which fall are only a small pro-  
portion.

One can gather up the falling  
particles and burn them and thus  
destroy and control the pest, but  
probably most of us will not bother  
until the pest becomes a serious  
threat. However an ounce of pre-  
vention is worth a pound of cure.

### Were Local Graduates

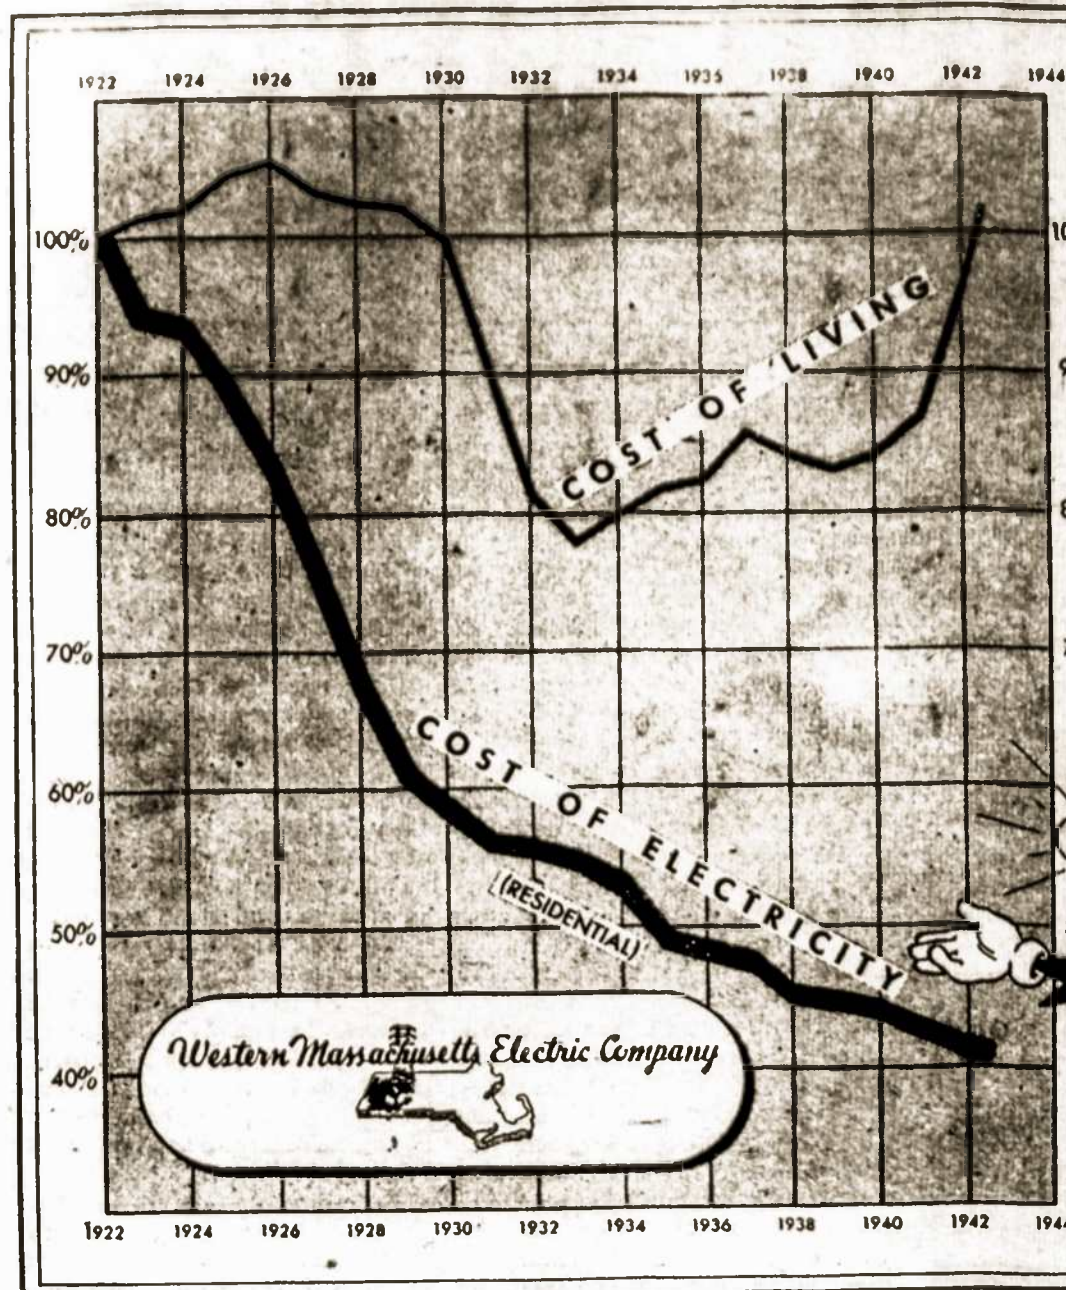

Seven girls and boys from  
Northfield and Mount Hermon  
were among the graduates at the  
Northfield Schools' Commence-  
ments.

ter of Mrs. Hazel Purrington,  
was President of Seminary's sen-  
ior class, a member of the  
Choir, Orchestra, Glee Club, Sig-  
ma Delta, Dancing and Music  
Clubs. Virginia Dunbar, daugh-  
ter of Mrs. Eva R. Dunbar was  
a member of the Choir and Music  
Club, Tau Pi, and participated in

swimming, hockey and badminton  
during her junior and senior years  
at the Seminary. Janet Margaret  
Kehl, daughter of Mr. and Mrs.  
Charles J. Kehl was on the staff  
of the "Star", a student publica-  
tion, a member of the Choir and  
Glee Club, Tau Pi, Music Club,  
and was active in soccer and cap-  
tainball. Gloria Mary Savcheff,  
daughter of Mr. and Mrs. Andrew  
Savcheff, was a member of Sock  
and Buskin, Sigma Delta, the  
Choir, Glee Club and Estey. Car-  
olyn Jane Pyper, daughter of Mr.  
and Mrs. Gordon Pyper, was ac-  
tive in the Social Club, Glee Club,  
Choir, Music and Social Dancing.  
Among the Mount Hermon  
graduates were Sidney Given, son  
of Mr. and Mrs. Sidney R. Given,  
was a member of the Commuter's  
Club, also the Victory Corps, soc-  
cer, basketball, tennis and base-  
ball. Robert R. Chapin, son of  
Mr. and Mrs. Frederic C. Chapin,  
was a member of the Commuter's  
Club, active in football, basket-

### "Keswick" Conference Held At Monterey

A most attractive folder has  
been issued by the New England  
Keswick Conferences which are  
to be held on the grounds of the  
Association this summer at Mon-  
terey. There is named a very  
complete list of speakers in charge  
of all group meetings and some  
well known song leaders.  
The season runs from June 15  
to Sept. 15 and indications are  
that all cottages will be occupied.  
Travel is urged by train with bus  
to the grounds. Distinctly this  
conference is for the development  
of Christian education and nur-  
ture and event for pleasure pur-  
poses are omitted. Rev. T. A.  
Lambie is President of the Asso-  
ciation.

### Benches More Benches

A movement is on foot to have  
placed along the main street  
through town as well as some sec-  
ondary avenues, at convenient  
places, benches for the conveni-  
ence of pedestrians. In these days  
when transportation is limited and  
gasoline scarce, more people are  
afloat for visiting, attending meet-  
ings and shopping purposes and  
since distances make it a physical  
effort, these benches will be a rest-  
ing place enroute. Already pro-  
vision has been made near the  
Auditorium, at the Sunset tree, at  
Green Pastures, at the Congrega-  
tional church, the Library, and at  
the Belcher fountain. Other places  
will be listed and benches placed  
and it is said that the Northfield  
Hotel will provide them along  
Highland Ave. The proposition  
has merit and is a worthwhile ef-  
fort, having the support of the  
Selectmen of the town.
